MIRANDA (ADAM) ON H.C.
Reference hearing ordered

THE COURT:

Based on the record in these matters and good
cause appearing:

The Honorable Roger W. Krauel, Judge of the
San Diego County Superior Court, shall take evidence
and make findings of fact on the following additional
questions regarding the cases of *People v. Adam
Miranda* (Los Angeles County Superior Court No.
362694) and *People v. Adam Miranda* (Los Angeles
County Superior Court No. 372157):

1. (a) Did Larry Montez write and/or sign the
document dated October 23, 1980?

(b) If the answer to question (1)(a) is yes, under
what circumstances was it written and signed? Would
Montez have been available as a witness to the
defense? What would he have said? Is the
information contained in the document or about which
Montez would have testified credible? Could and
would the defense have effectively cross-examined
Saucedo regarding the information the document
contains?

(c) If the answer to question (1)(a) is no, the
referee need make no further findings concerning the

document unless petitioner contends it is material even if not written or signed by Montez. If petitioner does so contend, the referee shall take evidence and make findings on the following questions: Who wrote the document? Under what circumstances was it written? Is the information contained in the document credible? Would such information have led to useful defense evidence and, if so, what? Could and would the defense have effectively cross-examined Saucedo regarding the information the document contains? The referee shall determine any facts relevant to petitioner's factual theory as to why the document is material despite the circumstance that Montez did not write or sign it, including the credibility of any defense evidence the document might have generated.

2. What did Saucedo tell Jimmie Barnes, Marvin Sanchez and Steven McDonald about his role in the Hosey killing? Did Saucedo's statements to Barnes, Sanchez and McDonald differ from his testimony in petitioner's trial and, if so, how did they differ? Would disclosure to the defense of information provided to the prosecution by Barnes, Sanchez and McDonald, and the prosecution's arrangements with those individuals, have led to useful defense evidence and, if so, what? Could and would the defense have effectively cross-examined Saucedo regarding the information provided by Barnes, Sanchez and McDonald?

3. If the undisclosed evidence (the letter and the prosecution's arrangements with Barnes, Sanchez and McDonald) had been disclosed to petitioner, would petitioner's trial counsel in the Hosey murder case have advised him to plead guilty? Would petitioner have entered a guilty plea in that case?

It is further ordered that the referee prepare and submit to this court a report of the proceedings conducted pursuant to this appointment, of the evidence adduced, and the findings of fact made.

Any requests for discovery in these matters should be addressed to the referee.

S065575

CHAMPION (STEVE A.) ON H.C.
Reference hearing ordered

THE COURT:

Based on the record in this matter and good cause appearing, it is ordered:

The Honorable Robert A. Dukes, Presiding Judge of the Los Angeles Superior Court, is to select a Judge of the Los Angeles Superior Court to sit as a referee in this proceeding and shall promptly notify this court of that selection. After appointment by this court, the referee is to take evidence and make findings of fact on the following questions regarding the case of *People v. Steve Allen Champion* (Los Angeles Superior Court No. A365075; Judge William B. Keene):

1. What actions did petitioner's trial counsel take to investigate potential evidence that could have been presented in mitigation at the penalty phase of petitioner's capital trial? What were the results of that investigation?
2. What additional mitigating evidence, if any, could petitioner have presented at the penalty phase? How credible was this evidence?
3. What investigative steps, if any, would have led to this additional evidence? In 1982, when petitioner's case was tried, would a reasonably competent attorney have tried to obtain such evidence and to present it at the penalty phase?
4. What circumstances, if any, weighed against the investigation or presentation of this additional evidence? What evidence damaging to petitioner, but not presented by the prosecution at the guilt or penalty trials, would likely have been presented in rebuttal if petitioner had introduced this evidence?
5. Did petitioner do or say anything to hinder or prevent the investigation or presentation of mitigating evidence at the penalty phase, or did he ask that any such evidence not be presented? If so, what did he do or say?

The referee is directed to prepare and submit to this court a report of the proceedings conducted pursuant to this appointment, of the evidence adduced, and the findings of fact made.
